

(j) Where securities are sold prior to the registration thereof and are subsequently registered for the purpose of making an offer of rescission of such sale or sales, the registration fee is to be calculated on the basis of the amount at which such securities were sold, except that where securities repurchased pursuant to such offer of rescission are to be reoffered to the general public at a price in excess of such amount the registration fee is to be calculated on the basis of the proposed reoffering price.

(k) Notwithstanding the other provisions of this rule, the proposed maximum aggregate offering price of Depositary Shares evidenced by American Depositary Receipts shall, only for the purpose of calculating the registration fee, be computed upon the basis of the maximum aggregate fees or charges to be imposed in connection with the issuance of such receipts.

(l) Notwithstanding the other provisions of this rule, the proposed maximum aggregate offering price of any put or call option which is traded on an exchange and registered by such exchange or a facility thereof or which is traded over the counter shall, for the purpose of calculating the registration fee, be computed upon the basis of the maximum aggregate fees or charges to be imposed by such registrant in connection with the issuance of such option.

(m) Notwithstanding the other provisions of this rule, where the securities to be registered include (1) any note, draft, bill of exchange, or bankers' acceptance which meets all the conditions of section 3(a)(3) hereof, and (2) any note, draft, bill of exchange or bankers' acceptance which has a maturity at the time of issuance of not exceeding nine months exclusive of days of grace, or any renewal thereof the maturity date of which is likewise limited, but which otherwise does not meet the conditions of section 3(a)(3), the registration fee shall be calculated by taking one-fiftieth of 1 per centum of the maximum principal amount of only those securities not meeting the conditions of section 3(a)(3).

(n) Where the securities to be offered are guarantees of other securities which are being registered concur-

rently, no separate fee for the guarantees shall be payable.

(o) Where an issuer is offering securities, the registration fee may be calculated on the basis of the maximum aggregate offering price of all the securities listed in the "Calculation of Registration Fee" Table. The number of shares or units of securities need not be included in the "Calculation of Registration Fee" Table. If the maximum aggregate offering price increases prior to the effective date of the registration statement, a pre-effective amendment must be filed to increase the maximum dollar value being registered and the additional filing fee shall be paid.

#### § 230.460 Distribution of preliminary prospectus.

(a) Pursuant to the statutory requirement that the Commission in ruling upon requests for acceleration of the effective date of a registration statement shall have due regard to the adequacy of the information respecting the issuer theretofore available to the public, the Commission may consider whether the persons making the offering have taken reasonable steps to make the information contained in the registration statement conveniently available to underwriters and dealers who it is reasonably anticipated will be invited to participate in the distribution of the security to be offered or sold.

(b)(1) As a minimum, reasonable steps to make the information conveniently available would involve the distribution, to each underwriter and dealer who it is reasonably anticipated will be invited to participate in the distribution of the security, a reasonable time in advance of the anticipated effective date of the registration statement, of as many copies of the proposed form of preliminary prospectus permitted by Rule 430 (§230.430) as appears to be reasonable to secure adequate distribution of the preliminary prospectus.

(2) In the case of a registration statement filed by a closed-end investment company on Form N-2 (§239.14 and §274.11a-1 of this chapter), reasonable steps to make information conveniently available would involve distribution of a sufficient number of copies of the Statement of Additional Information required by §230.430(b) as it appears to be reasonable to secure their adequate distribution either to each underwriter or dealer who it is reasonably anticipated will be invited to participate in the distribution of the security, or to the underwriter, dealer or other source named on the cover page of the preliminary prospectus as being the person investors should contact in order to obtain the Statement of Additional Information.

(2) The distribution of a preliminary prospectus (i) in the case of a registration statement relating solely to securities to be offered at competitive bidding, provided the undertaking in Item 512(d)(1) of Regulation S-K (§229.512(d)(2) of this chapter) is included in the registration statement and distribution of prospectuses pursuant to such undertaking is made prior to the publication or distribution of the invitation for bids, or

(ii) In the case of a registration statement relating to a security issued by a face-amount certificate company or a redeemable security issued by an open-end management company or unit investment trust if any other security of the same class is currently being of-

(iii) In the case of an offering of subscription rights unless it is contemplated that the distribution will be made through dealers and the underwriters intend to make the offering during the stockholders' subscription period, in which case copies of the preliminary prospectus must be distributed to dealers prior to the effective date of the registration statement in the same fashion as is required in the case of other offerings through underwriters, or

(iv) In the case of a registration statement pertaining to a security to be offered pursuant to an exchange offer or transaction described in Rule 145 (§230.145).
